

Sample Document

This is a simple one-page document that demonstrates various text formatting options commonly found in DOCX files.

Basic Text Formatting

Here is some text with **bold formatting** and *italic formatting*. You can also have ***bold and italic*** text combined.

Lists

Here's a bulleted list:

- First item
- Second item
- Third item with some *italic* text

And a numbered list:

1. First numbered item
2. Second numbered item
3. Third numbered item with **bold** text

Different Sizes and Alignment

This paragraph demonstrates normal body text size and alignment. It contains multiple sentences to show how text flows in a typical document.

Additional Formatting

You can also have:

`monospace text` for code or technical content

~~strikethrough text~~ when needed

blockquotes for quoted content
